

LED CORN LAMP

Zero Maintenance Alternative

APPLICATIONS

Commercial
Kitchens

Factories

Retail

Warehouse

- Wide range 20W to 240W
- Light output 1lm per Watt
- Proven and constantly improved efficacy
- Robust aluminium and polycarbonate construction
- Up to 73% energy saving payback from 14 months
- Easy to fit
- Our corn lamps are very efficient replacements for metal halide and high-pressure sodium (SON) lamps in all existing applications

NEW
3000K & 4000K
