

LED NON-CORROSIVE FITTING

IP65 Rated Fitting with Excellent Lumen Output

Emergency
Version Available

Optional Microwave,
PIR Sensors
Available

APPLICATIONS

Factories

Hospitals

Warehouse

Workshops and
Garages

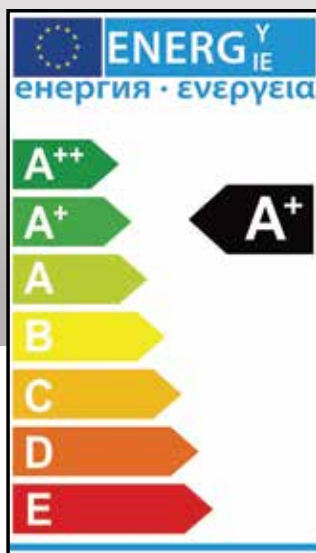

- IP65 non-corrosive fittings with rustless stainless steel mounting clips and cover clips
- Makes maintenance simpler due to mounting clips which keep the cover securely attached after the fitting is installed
- Easy installation
- Strong polycarbonate housing
- Replacement for fluorescent non-corrosive fittings
- Ideal for industrial areas such as garages, car parks and workshops
- Excellent lumen output performance
